## NEW BUSINESS

The New York State Harbormasters and Bay Constables hosted a picnic at Station Eaton's Neck. The LICPOA made a donation to the Association and a good time was enjoyed by all in attendance.

A motion was put on the table to make \$300.00 contribution to a fallen shipmate in Portland, ME. The Chapter will be following up with the Portland Chiefs as more information becomes available. BMC Thomson is the POC.

Bradstock was a huge success. Great weather, a wonderful turnout and terrific profits.. Thanks for everyone's help especially, Pat Moran, Tony Certa, John Thomson, Rita Resling, and Brian Skinner for going the extra yard to ensure all the plans, food, and details feel into place. As for everyone else, thanks for taking the time out of both yours and your families schedule to participate. We made almost 4K which we'll put to good use over the year making charitable donations. See you next year and please see some of our photos on the Web Page. The Chapter voted to donate \$300.00 dollars to Bradstock which in turn will go to the Long Island Maritime Museum which is there Charity.

The Chief Petty Officers attended a Petty Officer Advancement Ceremony for DC3 Verity on 5 Sep 07. The Chiefs Mess presented an Advancement Coin.

After 15 years as the Chapter President, Pat Moran has decided to step down. Thanks for the dedicated years of Leadership Pat! In October a nominating committee will be formed and a vote will be conducted in November. Please consider running for an office.

MCPO Michaels is going to be painting the Montauk Lighthouse very soon; he's reaching out to the Chapter for help and affording the opportunity for the Chapter to make a profit by providing the help. More to follow.

The Long Island Chiefs Mess will be hosting a CCTI on 16 November 2007 at a local CG Station with a formal dinner later that evening at Danfords Inn, Port Jefferson, NY. Dinner is \$50.00 per ticket and rooms are available for \$139.00. Please show your support.

Put your thinking caps on and try to develop some new and creative fund raising opportunities which the Chapter can get involved with.
